

# MID-FEAST OF PENTECOST

## Troparion - Tone 8

Russian Imperial Court Chant  
arr. from Lvov/Bakhmetev

Soprano  
Alto

Tenor  
Bass

In the mid-dle of the feast, O Sav - ior, fill my

thirst-ing soul with the waters of piety, as Thou didst cry to

all: "If an - y - one thirst, let him come to Me and drink!" //

O Christ God, Fountain of our life, glo - ry to Thee!

N.B. Originally, the entire fifty day period after Pascha was referred to as Pentecost. "The middle of the feast" (Mid-Pentecost) marks the half-way point of this festal period.
